**SECTION 3 - HAZARD AND TOXICOLOGICAL INFO**

**Primary Entry Routes:** Skin and eyes. **Signs & Symptoms of exposure:** Direct contact of product with eyes or skin may cause irritation. Prolonged or repeated contact of product with skin and eye may cause redness. If taken internally, product may cause irritation to mouth, throat or stomach. **Effects of Overexposure:** See First Aid Section.

**SECTION 4 - FIRST AID MEASURES**

**Emergency First Aid Procedures:**

**Eye Contact:** Immediately rinse the eye with large quantities of cool water. Continue flushing the eye with water for 10-15 minutes or until the material has been removed. Be certain to remove contact lenses, if present, and to lift upper and lower eyelids during rinsing. Get medical attention if irritation persists. (Reversible redness may develop from eye contact)

**Skin Contact:** Rinse skin with large quantities of water. Get medical attention if irritation persists. (Minimal effects are expected from skin exposures).

**Swallowing:** Drink several glasses of water and do not induce vomiting. If stomach upset occurs, consult a physician.

**Inhalation:** Exposure to concentrate-mist may cause slight irritation of nasal passages or throat. Remove to fresh air. Get medical attention if irritation persists.

**SECTION 5 - FIRE FIGHTING MEASURES**

Flash Point: None Flammable Limits: ND Extinguishing Media: Foam, CO2, Dry Chemical, Water Fog.  
Special Fire Fighting Procedures: Normal Fire Fighting procedures  
Unusual Fire and Explosion Hazards: None

**SECTION 6 - HANDLING, STORAGE AND ACCIDENTAL RELEASE**

Release or Spill: Large spills or releases can be absorbed with diatomaceous earth or similar inert material; Sweep or scrape up and dispose. Residual may be removed with a cloth or wet mop; cloth or wet mop can be rinsed and/or laundered. Rinse affected area thoroughly with water. All Federal, State and Local regulations should be carefully followed.

Keep out of reach of children. Store in a cool, dry place with adequate ventilation. Keep from freezing. Wash thoroughly after handling. Empty container may contain small amounts of undiluted product. Be certain to dispose of according to all regulations.

**SECTION 7 - EXPOSURE CONTROLS AND PERSONAL PROTECTION**

**Respiratory Protection:** No Special ventilation or requirements under normal use conditions.

**Skin Protection:** No gloves required under normal conditions. Not likely to irritate the skin in the majority of users; repeated daily or continuous contact with skin without rinsing may lead to temporary, but reversible, irritation. Slight skin irritant - protect skin.

**Eye Protection:** No special requirements for normal use conditions. Slight eye irritant - protect eyes

**Other Protective Measures:** Wash off if skin contact. Remove contaminated clothing.

**SECTION 8 - PHYSICAL AND CHEMICAL PROPERTIES**

APPEARANCE/ODOR: Clear liquid, light amber, pine scent

SPECIFIC GRAVITY: 0.98

DENSITY: ND

BOILING POINT: >210F

VAPOR PRESSURE: NA

SOLUBILITY IN WATER: Complete

EVAPORATION RATE: NA

pH: 7-8 Vapor

%Volatile: 100

**SECTION 9 - STABILITY AND REACTIVITY**

STABILITY: Stable

INCOMPATIBILITY (MATERIALS TO AVOID): None known to 20/10 Products Inc.

HAZARDOUS DECOMPOSITION PRODUCTS: None known to 20/10 Products Inc.

HAZARDOUS POLYMERIZATION: Will not occur.

CONDITIONS TO AVOID: None known to 20/10 Products Inc.

**SECTION 10 - DISPOSAL CONSIDERATIONS**

Waste Disposal Information: No special method. Observe all applicable Federal, State and Local regulations, rules and/or ordinances regarding disposal of non-hazardous materials. This product is not considered a hazardous waste in Oregon or Washington as defined in WAC 173-303-070 or as characterized in WAC 1673-303-090. Observe all applicable Federal, State and Local regulations, rules and/or ordinances regarding disposal of non-hazardous materials.

**SECTION 11 - DOT AND TRANSPORTATION INFORMATION**

DOT CLASS: Not Regulated

SHIPPING NAME: Clean Glide #1 PHC-CG1 or Clean Glide #2 PHC-CG2

DOT EMERGENCY 24-HR: (800) 424-9300

**SECTION 12 - REGULATORY AND ECOLOGICAL INFORMATION**

SARA Title III Section 313 and 40 CFR Part 372 Notification: See section 2.

No ingredients in this product are currently listed as carcinogens, mutagens and teratogens by NTP, IARC or OSHA. All components of this product are listed or are excluded from listing on the U.S. Toxic Substance Control Act (TSCA) Chemical Substance Inventory.

**SECTION 13 - OTHER INFORMATION**

Always follow label directions carefully when using this or any other chemical product. If information about this product is required, please contact 20/10 Products at the number listed on page 1. Keep MSDSs filed and organized in an area accessible to workers according to the Hazard Communication Standards.
